F. P. Galbraith ALLIED TROOPS SURGE INTO PARIS Pres. C.W.N.A. AFTER FOUR YEARS GERMAN OCCUPATION PARIS IS AGAIN FREE TO HER OWN PEOPLE

F. P. GALBRAITH, EDITOR OF RED DEER ADVOCATE ELECTED DOMINION PRESIDENT OF THE WEEKLY PAPERS ASSOCIATION

WINNIPEG, Aug. 20.—F. P. Galbraith, publisher of the Red Deer Advocate, was elected president of the Canadian Weekly Newspapers Association at the closing session of the 25th. Annual convention here. He succeeds W. J. Rowe, publisher of the Western Canadian, Manitou, Man.

Other officers included Hugh Tempin of the Fergus News Record, Ont., first vice-president; R. A. Giles, publisher of the Lachute Watchman, Que., second vice-president; and C. V. Claret, publisher of the Brampton Conservator, managing director.

Mr. Galbraith is a descendant of a Red Deer Pioneer Newspaper Family his father having established the newspaper in Red Deer in the early days of Red Deer's history.

He is a veteran of the First Great War.

We congratulate Mr. Galbraith on this honor conferred by his confreres.

Four years ago Britain, Canada and other Allies were frantically scrambling for the tools to finish the job. Until the war material could be provided all Britain and the Dominions, then standing practically alone against Germany, could do was to fight a delaying action.

The picture has changed. The United Nations now have the tools, and the same dose as Hitler handed to the rest of Europe is being handed right back with interest. The liquidation of Nazis in France, Italy and on the eastern front has reached almost the stage of a slaughter, such a slaughter as the German panzer divisions visited on the French in the spring of 1940.

U. S. 3rd. Army units officially were reported operating in the vicinity of

Versailles, 70 miles from the heart of Paris and scene of the signing of the First Great War peace treaty.

Berlin said Allied reconnaissance forces already were operating in the Paris suburbs. The city itself seethed with revolt. German machine-guns were turned on students and patriots who rose up against the occupation forces. Huge fires were reported blazing throughout the city.

In the Pacific, super-Fortress bombers jolted the home islands of Japan with a double punch. Sunday a U. S. bomber sank a 42,000-ton Japanese cruiser and southwest Pacific airmen finished off enemy aerial defences guarding the southern Philippines.

The super-Forts of the 20th. Air Force got "good" results in strikes at the industrial area of Yawata on Kyushu. Tokyo admitted "some damage".

Douglas Hirtle Is Home

Cpl. Doug Hirtle second son of Mr. and Mrs. M. S. Hirtle of Strathmore, returned Wednesday to his home in Strathmore after almost five years in the War Zones in Europe.

Doug enlisted in the Fall of '39 and spent Christmas of that year on a liner going to England. He saw service as a Despatch rider in England for some time. Later he was transferred to the Postal Corps and went with the troops to Italy where he has been stationed since. He returned to Canada on the Lady Nelson and arrived in Calgary on Tuesday morning's train where his wife and parents were eagerly awaiting his arrival.

After leaving school Doug was a capable assistant in The Strathmore Standard Office, later leaving to assist his father in the Theatre. A host of friends will welcome him home again.

CONFIRMATION SERVICES HELD

St. Phillips and Sacred Heart Churches

On Sunday, August 20th, His Excellency Most Reverend Bishop Carroll administered the Sacrament of Confirmation both at St. Phillip's Church at Carleton Place and the Sacred Heart Church at Strathmore.

The ceremony at Carleton Place took place at 3 o'clock Sunday afternoon.

The following twelve candidates received the sacrament—Genevieve Cote, Dawn Cote, George Cote, Helene Donovan, Lisle Donovan, Rosemary Gillis, Bernard Gillis, William McCormick, Irene Williams, Bernice Williams, Stuart Williams and Donald Winter.

This was the first time the Sacrament of Confirmation has ever been administered at the Carleton parish. Rev. Father Gibbons extended a cordial welcome to His Excellency Bishop Carroll, and the crowd that turned out to the ceremony showed how the people appreciated the visit of His Excellency to their parish.

His Excellency spoke at some length on the Sacraments; that they are the means by which the grace of redemption is transmitted to us. Baptism makes us heirs to the kingdom of heaven and is also the door to the church. As we advance in years we receive a special strength to overcome the spiritual difficulties we meet with in the sacrament of Confirmation. Our sins are forgiven in the Sacrament of Penance and our souls are fed with the Blessed Eucharist. Extreme Unction prepares us for our last earthly journey. While these sacraments are for the spiritual benefit of the individual, the two social sacraments, Holy Orders and Matrimony are for society in general.

At 7:30 p.m. the thirty-three candidates of the Strathmore parish moved in procession from the house to the church. The bishop was again welcomed by Rev. Father Gibbons. The bishop was assisted by Rev. Father Killen of Rockyford and Rev. Father LaBelle of Gleichen and Louis Conolly who is a student at the Seminary in Edmonton.

Tragic Death of James Wheeler

James Alexander Wheeler, 16, of Strathmore, was killed when a tractor he had been driving on a road allowance near his home, raced uncontrollably down a steep hill and overturned near the bottom.

The son of Mr. and Mrs. L. Otto Wheeler, young Jim had been driving a tractor hitched to a combine and at the top of a fairly steep hill had taken it out of gear. It is not known whether he was unable to brake the vehicle, before it got out of control, but when the tractor and combine reached the bottom of the hill the tractor went into the ditch and turned over. The boy sustained a fractured skull, and was dead before Coroner Dr. J. W. Giffen, of Strathmore, arrived. With him at the time was his uncle Lloyd Wheeler, who was thrown clear.

Dr. Giffen said no inquest would be necessary. The mishap occurred at 3 p.m. Cpl. Steven Mott, Strathmore detachment of the R. C. M. P. investigated.

James Wheeler is survived by his parents, three brothers, Keith in the R. C. A. F. at Fort St. John, B. C.; Leonard, R.C.A.F. Overseas; Charles at home; and a sister, Elizabeth, also at home. He attended the Strathmore Public School for all of his eight grades and was to start High School this term.

Funeral Services will be held at Strathmore United Church Friday at 2 p.m. conducted by Rev. S. R. Hunt pastor and Rev. Dr. Garden of Mount Royal College. Interment will be made in the Strathmore cemetery, McInnis and Holloway in charge.

The pallbearers will be William Stephen, Charles Stephen, Richard Caldwell, Stanley Wright, Melvin Harwood and Teddy Roberts.

The very sincere sympathy of the community is extended the family in this sad bereavement.

The following candidates received the Sacrament—Heleh, Leona and Viola Bardeen, James Backs, James Bazzant, Leona Giroux, Roy Goddette, Clifford and William Hermannson, George and Raymond Falarly, Joanne and Margaret Muri, Brendan Quinn, Andrew Ramsay, Alex and Baby Rocho, Joan Stinn, Herman James, Mary, Donald and Kenneth Vanbavel, Leon and Simone Van Hecke, Mary Vergewe, Marie, Maurice and Peter Vergowen, Marjorie Taylor and William Van Verdigen.

Following Confirmation Benediction of the Most Blessed Sacrament was given by Rev. Father Killen.

After a busy afternoon and evening his Excellency found time to greet the parishioners individually.

THE 'OUT-SIDE'

JOE CITIZEN SAYS—

I guess we folks right here don't know what war is really like although for every life in battle lost folks left behind must pay the cost. It's sad for all the little tads now growing up without their dads.

And who can tell what tragic thoughts

haunt wounded soldiers in their cots? But what I mean to say is this—

There's quite a lot of war we miss, like hunger, bombs and refugees, and black-outs and such things as these.

There isn't a more favored land than this the one where now we stand. So lucky folks like me—and you!—should need no coaxing bellyboo to dig up every cent we own and help put over this new loan.

An easy way you must admit for such as us to do our bit!

Liberal Plan For Future Taxes Shape—

1. Many social changes will take place.

2. Program to benefit all.

3. Effective depression defences.

4. Housing plan to release a billion dollars for improvements.

5. Floors under agricultural and fish products.

6. Export credit insurance.

7. Family allowances programme most advanced in the world.

8. Canada takes over huge Air Field System.

OTTAWA—The vast program to assure the majority of Canadians a post-war standard of living equal, or better than, the carefully managed war time economy is rapidly taking shape. The cynics who, for political or other reasons, questioned the practicability and reality of achieving the unprecedented scheme of things, proposed in the Speech from the Throne, are being shown that the Government is in deadly earnest—and have been forced to support the Liberal administration measures because of the purpose and problems which they were designed to fulfil and to solve along sound lines.

Everybody Will Benefit—

Never before in Canada's history has a single session of Parliament so transformed the social and economic fabric of the Dominion in the interest of all men and women of both country and city areas throughout the nation. No section, no group of Canadians have been overlooked in the comprehensive pattern of laws which have either been endorsed already by both Houses of Parliament, or are on their way to becoming real factors in the lives of every Canadian.

POST-WAR AND THE FARMER

POST-WAR FARM BUILDING,
REPAIRS AND REPLACEMENTS

By Leonard D. Nesbitt, Supt.
Publicity Dept., Alberta Wheat Pool
Calgary, Alberta

The cash income of Canadian farmers reached an all-time high level in 1943, the total being \$1,397 million. I do not think that such a total is extraordinarily high in view of the 40% increase in volume of farm production in the dominion during the war years.

Always during war the farm income rises. In times of peace the average farmer has quite a struggle to make a living. Sometimes prices go down very low. For instance, in 1932 the total Canadian farm income was only \$382.5 million or less than a third of the 1943 total.

What are farmers going to do with the money accumulated during these years of better prices. Quite vividly I remember what many farmers did with their money during World War I. They invested it in land and livestock at peak prices, using not only their cash resources but their credit. In the succeeding depression thousands were swept into bankruptcy. Land which sold for as high as \$100 an acre in the boom period got down to less than a quarter of that price in the depression years.

What farmers should remember is that "trees never grow to the sky." History shows that wartime prices for farm products never persist in the

subsequent peace years.

Speaking particularly about Western Canada I believe farmers should follow a different policy than they did during World War I. The prairie provinces have a comparatively short of improving them. A special fund more than a generation old. Many farm families are original pioneers. The raw frontier life isn't far behind us.

The time has come in these prairie provinces for the investment of money in living rather than with the hope of getting more money. After all, we have only one life to live. Surely farm families are entitled to enjoyment of a least the comforts and possibly a few of the little luxuries of life.

Not long ago I read a statement by an architect that if a thousand typical homes from the farms of western Canada were laid out in one street the result would be a community which in most of its physical respects was just another urban slum. In plain language, what that means is the average farm home in the prairie provinces is typical of the average home in the slum ends of the cities. I think the situation is even worse than that outlined by the architect. The average home even in the city slums has electricity, running water, gas and even probably a furnace. How many farm homes are thus equipped?

I believe that lack of decent housing and home comforts on prairie farms

is a direct cause of most of the trend of the farm youth to the cities. I believe that a campaign should be under taken to improve and beautify farm homes. Farmers should be encouraged to save for the particular purpose of improving the. A special fund might be created by each farm family for that purpose. The whole family would be interested in increasing that fund. Then when peace times come the money would be available for the building of a new home or the repairing of the old; for the installation of a water system, electric lighting, and a furnace. An investment in such improvements is a "sure thing". You cannot possibly lose. Your gain will be in the easing of toll for your wife and yourself, in the enjoyment in living for your family, and in a sense of accomplishing improvements which will encourage your neighbors to do likewise.

John C. Morton District Old-Timer Died Last Week

—From the Gleichen Call.

John Charles Morton, a resident and rancher of Southern Alberta for the past 43 years died Wednesday of last week at the age of 69 years. Some months ago he suffered a stroke and died following a second attack.

Mr. Morton was born in Balmoral, Man. on July 6, 1875, son of Mr. and Mrs. S. Morton. He was the grandson of Lord Mayor Collins of Dublin, Ireland, also a nephew of Senator Morton of Tacoma, Wash. Leaving Manitoba in 1901 he came west and taking up a homestead at Rosebud Creek, started in the ranching business, which was known as the CX ranch. Later he became owner and operated the following ranches—Old Brass Place at Rockyford; Pacific Cold Storage ranch at Standard; XC Ranch at Cochrane; Lapham Farm at Wayne and the Two Bar Ranch at Hussar. Up until last year he supplied many bucking horses for stampedes throughout the province including the Calgary Stampede. For years until race horses were introduced, he entered and drove his own CX outfit in chuckwagon races at Calgary.

Jack Morton was an outstanding man. He was a big man, standing several inches over six feet and had a power physique which stood him in good stead throughout life. In his younger days he was the strongest man in these parts. He was so strong that he could throw a full grown saddle horse with his bare hands, simply by grasping the animal by its front legs and lifting the fore front off the ground throw him, afterwards holding the horse down. He was as big hearted as he was big and was generous to a fault.

Funeral services were conducted in United Church Saturday afternoon by Rev. Ellison of Rockyford, and was largely attended by local people and many from a distance. Interment was made in the local cemetery. Surviving are his widow; one son, A. E. Morton of Edmonton; four daughters Mrs. R. Cunningham, Gleichen; Mrs. J. F. Donnelly, Mrs. W. Barton and Frances all of Calgary; four sisters, Mrs. N. A. Milne of Spokane, Wash., Mrs. Alex. Peden of Stonewall, Man., Mrs. M. MacDonald and Mrs. Jack Hornbeck, both of Winnipeg.

The pallbearers were—Messrs L. Desjardine, R. Hunter, W. F. Ferguson, C. Evans and Riley Bros. of Rockyford.

EVER walk into an auction and find yourself getting excited and wanting to bid... a victim of "auction fever"? Wartime conditions can breed "auction fever" if we let them. Everything is in short supply. Many more people are able to bid.

But... if prices are bid up... all our dollars will lose some of their value. Even necessities could get out of reach.

- ▶ What use is more money, if living costs go up still higher.
- ▶ What good are higher returns to business, if they are offset by higher costs.
- ▶ What does the farmer gain if higher farm prices lead to depression and low prices later.

We cannot continue a full war effort and prepare to meet the problems of the post-war period unless we maintain a stable and reasonable price level now.

Strathmore's Attraction
for Homes

WITHIN the week we heard a man of sound judgement and wide experience extol the attractive possibilities that lie in wait for Strathmore's development. Attractions by which many retiring farmers would be induced to build or buy their homes to spend their leisure days in the desirable surroundings which Strathmore affords.

Further many men who have lived hurried business lives would prefer when freed from active business, to have a home in the quieter surroundings of a small town than in the city.

However, to provide these conditions houses made modern with water and sewerage would be a prime requisition. This is not an impossibility. It should be being planned now as a Post-War construction.

With the statement of General Montgomery that the end of the war is in sight and with the planning by the Dominion Government for extensive assistance for improved housing conditions, now is the time to make definite plans to make our Town a Centre in which scores of families

will wish to become interested and loyal residents.

Certain towns in Alberta are now holding citizen's meetings to discuss most needful improvements. Let us be alert to the possibilities that are ours if we act before it is too late.

WEDDINGS

Fortier - Rasmussen

A Wedding of much interest was solemnized on Thursday, Aug. 17th at 8:00 p.m. in the Danish Lutheran Church when Rev. T. Hansen officiated at the marriage rites of Lucille second daughter of Mr. and Mrs. Sigurd Rasmussen and Marcel Fortier, son of Mrs. and Mrs. J. H. Fortier of Peace River, Alberta.

The church was a beautiful setting for the evening wedding ceremony as it had been artistically decorated with garden flowers by friends of the bride.

The fair young bride, who was given in marriage by her father, was lovely in her white taffeta wedding gown, fashioned in a long waisted style with a Peter Pan collar and yoke of fine lace. She wore a misty floor-length veil with tiara headpiece and carried red roses.

Her sister, Miss Lois Rasmussen, made a charming bridesmaid in pale blue taffeta daintily trimmed with pink bows. Her flowers were white carnations and pink sweet peas.

Mr. Gordon Rasmussen attended the groom and the ushers were Mr. Howard Rasmussen and Mr. Arnold Rasmussen.

During the ceremony, the choir, of which Lucille had been a valued member sang an anthem, "Holy Art Thou" and Mr. Vernon Larsen sang the popular bridal solo "Because". Miss Leda Jensen was organist.

Following the ceremony a reception was held at the home of Mr. and Mrs. Sigurd Rasmussen when about thirty members of the family were present to extend best wishes to the bridal couple.

Later L. A. C. and Mrs. Fortier left for Calgary to spend a short honeymoon before leaving Saturday evening for Patricia Bay where they will both resume their duties with the R. C. A. F., as Lucille was, until her (W. D.) R. C. A. F. marriage, L. A. W. Lucille Rasmussen.

The best wishes of their many friends follow them to their new home

BRIDAL SHOWER

On Saturday, August 19th, a delightful bridal shower was arranged for Mrs. Marcel Fortier. The hostesses had decorated the church basement with beautiful bouquets of flowers and the tables were very daintily arranged.

Mrs. Foss welcomed the guests on behalf of the committee. A short program followed. Miss Marilyn Dahl sang very sweetly, "Love Came Calling". Mrs. Stanley Rasmussen gave an appropriate reading and Miss

Leda Jensen played a piano solo, all of which was much enjoyed and appreciated by about fifty guests, who had gathered to honor Standard's charming new bride.

Many beautiful gifts of linen, china and pyrex were received as well as a pair of woolen blankets and a rose chenille bedspread.

Mrs. Fortier, in her usual happy manner thanked her friends for the many useful gifts and said that she would be proud to use them in her new home. A social hour was enjoyed at the luncheon table.

Clayton J. Petersen

Every pretty wedding was solemnized in the Danish Lutheran Church Calgary on August 11th, when Alma Petersen became the bride of L. A. C. Richard V. Clayton, R. C. A. F.

The bride wore a floor-length white gown and orange blossoms caught up her veil. She carried a bouquet of American beauty roses and looked very charming walking up the aisle on the arm of her father, Mr. Wesley Petersen. A. W. Agnes Ross, R. C. A. F., of Claresholm attended the bride and Bruce Clayton, brother of the groom was best man. The church was full of friends of the young couple and the reception was held in the Brentwood Room of the Empress Grill.

Mrs. Clayton, mother of the groom helped receive the guests.

Dick and Alma will spend a short honeymoon at Banff and will be at home to their many friends in Calgary

very soon. Good luck to you both.

Cecil Rasmussen is in the Holy Cross Hospital undergoing an appendicitis operation. We wish him a speedy recovery.

Mr. and Mrs. Bob MacArthur of San Jose California, were visiting at the Penske home.

Aldin Marsh is visiting with his father for a month.

The U. F. W. A. met at the home of Mrs. L. A. Story on Thursday. There were ten members present and some interesting topics were discussed.

Mr. and Mrs. Sigurd Nielsen are receiving congratulations on the birth of a baby daughter born on August 17th. at Wayne hospital.

Mr. and Mrs. Sam J. Blair and Blair Moody of Calgary are visiting Mr. and Mrs. H. Channey.

Mr. and Mrs. L. C. Smith were dinner guests of Mr and Mrs. A. J. Strom on Sunday.

Gloria Leiselman entertained her many small friends at a birthday party on Tuesday.

Mr. J. M. Wheatley returned home

from Edmonton on Tuesday.

Vivian, Doris and Christian Skov from Idlesleigh have been visiting Mr. and Mrs. N. P. Nielsen for a week. The N. P. Nielsen twins, Kay and May entertained their young friends on their birthday this week.

Mr. and Mrs. Carl Madsen were dinner guests at the Sproule home on Sunday.

Thelma Nerland is staying with Mrs. N. P. Nielsen.

Mr. and Mrs. Norman Baldwin returned home on Friday after staying a few days at the Channey home.

"HAND MILKING" IS ON THE WAY OUT, TOO!

The Modern Milking Machine has won the favor of Dairymen

Freedom from the time-taking, tiring and tiresome chore of hand milking has come to thousands of dairymen through the perfection of the modern milking machine.

The milking machine saves hours of time and labor, making easier and quicker work of a task that has long been considered as "taking a lot of the joy out of life." In these times of help shortage, it has been the milking machine that has enabled many a dairyman to keep the monthly cheques for milk and cream coming in as usual and to benefit from the great demand for dairy products.

To users of milking machines, doing the job by hand is a thing of the past—to them hand-milking belongs to the days when grain was sown broadcast by hand and crops were harvested with the sickle and the cradle.

● Your local Massey-Harris dealer can give you particulars about the Rite-Way, the modern milker with the natural action.

FRUIT BULLETIN

Commencing Wednesday, Aug. 23rd., B. C. Peaches will be in full production. The three "V's" will predominate. "Fill up those empty sealers." Barlett pears will also be rolling next week. Get them when you can, can them when you get them.

IMPORTANT! BOOK YOUR CANNING TOMATOES NOW!

HERE IS YOUR PRESERVING RECIPE.

— HOME CANNED TOMATOES —

Home canning of ripe tomatoes is an easy and economical means of protecting your tomato supplies for next winter.

Select fully ripened tomatoes . . . good, firm ripe tomatoes are best. Sterilize quart sealers. Blanch the ripe tomatoes in boiling water in a colander for sufficient time that they peel readily. Dip under cold water to cool off enough to peel them.

Pack the blanched peeled tomatoes into quart sealers, breaking just enough of them to fill the sealer up to the top. Add one teaspoonful of salt into the centre of each sealer. Screw down tops almost tight, just enough to let any air escape in the boiling. Place into hot water bath and boil for 25 minutes. Remove and screw tops down tightly.

No water is ever added to the tomatoes. You can 100% tomatoes, and the salt breaking just enough tomatoes to get juice up to the top of the sealer before screwing tops.

Dr. Cody said of Scouting: "A generation
of Boy Scouts, grown to man-
hood, indoctrinated with the practice
of honour, loyalty, purity, co-opera-
tion, courtesy, helpfulness and rever-
ence, would mean a better Canada, a
better Empire and a better world."

OTTAWA LETTER

LIBERALS PLAN PROGRESS FOR RURAL CANADA

OTTAWA—Big strides towards a new and better post-war order for Canadians were taken by Parliament at its 1944 session. For the first time Parliament, under Prime Minister King's leadership, put human values above monetary considerations. The war having shown what Canada can do in conflict, the government made up its mind that this nation can reach a high standard of living for its people with maximum employment and good prices for agricultural and

other primary products. As a result Canadian Liberal legislators fashioned an unprecedented social and economic program and laid a strong foundation for further advances along the same road.

Rural Canada and Post War—

The feature of the new \$3,000,000,000 social and economic program is that, also for the first time, rural areas, villages and small towns will get a greater benefit than the large manufacturing and financial centres. The attempted domination of big money was definitely thrown off and every piece of legislation was aimed at improving the lot of the ordinary men and women and of families in the

low or moderate income brackets.

Country Children Benefit from Family Allowances—

For example, 150,000 more country than urban children will receive family allowances payments ranging from \$5 to \$8 a month. The whole benefit of the \$200,000,000 yearly children's allowances will go to people whose earnings are not big enough to warrant their paying income tax. Similarly the new \$275,000,000 housing program broke from past traditions, in that, instead of being devoted largely to city housing, as in the past, the act is framed to be of special aid in providing better homes on farms and in small centres of population. For farm

improvements loans, \$250,000,000 has been provided, making it possible for farmers to borrow at lower interest, for longer periods and on a much wider type of security.

Great Plan for Fighting Services—
The \$750,000,000 for war gratuities to men serving in the armed forces got the unanimous support of parliament. To men of average length of service it may total about \$1,000, half payable on discharge and the balance in monthly instalment. This will go a long way to help re-establish farm lads as well as youths from cities, towns and villages. It is only one feature of a 15-point rehabilitation program for those who served in Can-

ada's army, navy or air force. Young men from the farms will again get generous terms to help them buy their own farms. The land scheme includes a complete gift of \$1,200 farm stock and equipment. Removal of all duties on farm machinery and equipment will help these lads get started at less cost, just as it will cut farm operation costs to their fathers and brothers.

The \$200,000,000 initial capital of the Industrial Development bank is to be largely devoted to medium sized industries in smaller centres. In assuring employment in smaller towns, it also assures a good home market for farmers.

WE'LL DO IT AGAIN- but we need YOUR HELP!

WEAR IT ON YOUR ARM

Yes, we need your help...and need it badly.

This is the biggest job we have ever tackled! Everything depends upon Victory.

Canada's Army needs volunteers NOW. And, that means you and you and you!

Wear Canada's Badge of Honour on your arm. You'll be proud of it, so will your friends.

Every man who is able has got to do his bit!

Maybe you don't think this means you... that it's a job for the other fellow.

If you do, you're wrong. It's your war, too... a war for every man who is a man... for everyone who has a stake in Canada.

Yes, this means you all right and we need you now for the months of intensive training to make you fighting-fit. We did it before and we can do it again... *but we need your help.*

D. McMURRAY ATTENDS HOME AND SCHOOL CONVENTION

Mr. D. McMurray is attending the Dominion Convention of the Home and School Association being held in Montreal this week. Other delegates from Alberta are Mrs. T. K. Lockwood and Mrs. A. M. Curtis of Calgary and Dr. Newlands from Edmonton.

Saturday last claimed Mrs. W. E. Thompson as hostess at a delightful Dessert Bridge, in honor of Mrs. M. MacLeod who is being much fêted prior to her departure for her new home in Calgary. Four tables were arranged, and after choice refreshments some interesting games were played the score varying now up, now down, according to the uncertainty of the cards. A bridge game is like a horse race, you never can tell what may happen. Prize winners were Mrs. Ian MacKenzie and Mrs. G. H. Patrick. All enjoyed a very happy afternoon.

GRAHAM TENCH GIVES IMPRESSION OF ENEMY FIRE

With the Canadian Army in Italy, being a squadron electrician with a Canadian armoured formation on the Italian front may not sound too exciting but Pte. Graham Tench, son of Mr. and Mrs. J. A. Tench of Strathmore, thinks otherwise.

"Crawling from one tank to another under enemy fire can be most uncomfortable at times", Pte. Tench stated recently when he spoke with Canadian newsmen near the battle front.

Mr. and Mrs. Perry will enjoy a two weeks holiday at the Coast and intervening points.

Mr. McKenzie of Medicine Hat will relieve for Mr. D. A. Perry while he is on holiday.

A number of neighbors and friends called in on Mrs. Saunders at the home of her daughter, Mrs. M. May, to help her celebrate her 82nd birthday on Monday. She was the recipient of many lovely gifts for which she expressed her very sincere thanks. Mrs. May served tea and the ladies had a afternoon of interesting conversation. Mrs. Saunders or "Grandma" as she is known by so many of the young folks in town, is quite well and happy at 82 and we hope she will see many more anniversaries.

Cpl. Clarence Lyons is home on leave for several days.

Mr. and Mrs. George Risdon are rejoicing over the birth of a son in a Calgary hospital Sunday, August 20th. Donald George is the name chosen for the fine son.

Mr. H. T. Joliffe spent several days in Calgary the beginning of the week.

Miss Ella Stephens, who is employed in Calgary spent the weekend at home.

Melvin Yonker of the R. C. A. P. spent the week-end visiting friends in Strathmore.

Frances Jones was hostess at a jolly party honoring her guests, Miss Betty Gordon of Calgary, one evening last week. Games and contests were enjoyed and a delicious lunch served.

Betty Wikstrom and Marjorie Eastcott of Okotoks returned home after spending ten days at Sylvan Lake holidaying.

Rev. and Mrs. Hunt returned late Saturday evening from the Training Camp at Kasota Beach Sylvan Lake. Over one hundred were in attendance.

The Conference on Adult Education conducted by Mr. Manson Doyle of Toronto was especially helpful.

Rev. S. R. Hunt will conduct services Sept. 3rd, at Namaka, Crowfoot and Nightingale.

Mrs. N. White and Lois left Monday for their new home in Crowfoot near Cluny.

Lt. J. Crellin is leaving Sunday for Camrose to attend the Cadet instructors course which lasts for a period of 28 days.

Kenneth Wright, son of Mr. and Mrs. T. E. Wright has received a very interesting appointment as Radio operator on a Merchant Marine. He sailed from Vancouver last Sunday on an extended cruise. We wish him smooth sailings.

Manager Hinkle is adding a very attractive entrance to the local theatre. Special lighting fixtures will be installed which will add a brilliant feature to our Main Street. Glass covered panels to feature future shows and other items under construction, and when completed will be a marked improvement.

Mr. Fisher is acting Manager at the Royal Bank for the next few weeks.

Keith Wheeler arrived from Fort St. John Wednesday morning for a two week's furlough with his parents, Mr. and Mrs. Otto Wheeler.

Chester Tench leaves Friday morning for Sidney N. S. after a visit of two weeks at his home.

Mr. and Mrs. Bannister and children of Calgary spent the week-end with their Uncle and Aunt, Mr. and Mrs. Joe Robison.

IT'S NEWS TO US

Give most people a couple of wheels from an old 30-36 tractor, the axles to go with them, a bit of oil well casing some beams from another tractor, the barrel of an old cannon, together with an assortment of other pieces and what have you got? To most people it would add up to a scrap drive, but in Risdon's Machine Shop it adds up to a huge hydraulic press.

It has been in operation for close to a year now, though we remember when work was first started on it, about three years ago. Probably the second largest press in this part of the country it is only surpassed in the Ogdens Shops. Fifty tons of pressure can be built up quite easily if fifty tons is needed. The cylinder that supports this tremendous pressure—oil at 100,000 pounds per square inch, was cut from the barrel of an old German 155 mm gun. The structure that holds the entire machine is made from the wheels of an old tractor, cut and straightened out.

A unique feature of the machine is a variable stroke on the compression piston. The lever may be regulated so that a three-inch stroke is delivered in a stroke varying from one-half inch to absolutely nothing, thereby obviously changing the power applied with each stroke.

And what can this massive machine do? "Well," as they at the machine shop, "we can do anything from straightening Caterpillar axles to cracking walnuts."

Mr. Hubert Clark and daughter Gwen of Cluny were guests of Mrs. Robison and Elva, during the week.

Mrs. Frank Sowden has as guests during the week, Mrs. T. J. O'Grady and small nephew from Calgary.

Mr. and Mrs. H. A. Ruppe returned Sunday from Portland, Oregon where they have spent the past two months.

Mrs. Gladys Moran entertained at tea Wednesday in honor of Mrs. Sowden's guest, Mrs. O'Grady.

— By Mrs. E. J. —

Our congratulations to Mr. and Mrs. Jack Warrack on the birth of a son on Sunday, August 20th.

A pleasant lawn party was held on the beautiful grounds around Mrs. Doug Keer's home on the afternoon of Aug. 9th. The hostesses were Mrs. Doug Keer, Mrs. Ian Keer and Mr. Robert Jackson. They served a delicious luncheon followed by tea and reading by Mrs. MacDonald. Lawn croquet was set up to the immense enjoyment of the children.

Mrs. A. M. Drake had as her guests her parents Mr. and Mrs. H. Hilton.

Friends of Mrs. Fred Hilton are very pleased to learn that after all her illness is not typhoid fever and that she will soon be home again.

Miss Myrtle Stoodley of Calgary spent the week-end at home.

Mr. and Mrs. B. F. Jones and Lester were Sunday guests at the Harman home.

Harvesting is in full swing in this neighborhood and we hope for a dry spell so we can get the crops off in good condition.

GLENCAIRN

— By Mrs. F. T. —

Miss Greta Cann, who has been visiting with Miss Kathleen Anderson and Elma Hildahl, was honored at a party given by the latter last Saturday, a number of Greta's old school chums being present. Games and contests were played. Winners in the scrambled name contest were Dolly Groves, Edna Groves and Janet Eby and in milk bottle matches, Myrna Hansen, Edna Groves and Kathleen Anderson. After a delicious lunch they all bid Greta goodbye and went their different ways home.

Greta returned to Brooks on Sunday taking Kathleen and Elma with her for a few days.

Mrs. Fred Teare and little Sharon are spending a few with her sister Mrs. Omer Slack at Nanton.
